Coronavirus – Additional Terms & Conditions

If any guest has coronavirus symptoms they will need to self-isolate at Lighthouse View and this would mean that we would need to cancel your booking which could be at short notice. We will request all guests to notify us if they or any members of their party have coronavirus symptoms as soon as possible so that we can let the following guests know their holiday has been cancelled. Should this happen then:

- The guests that have coronavirus and / or coronavirus symptoms will be expected to meet the cost of an additional 7 or 14 night stay. The duration of the extended stay at Lighthouse View will depend upon when the first signs of the virus were displayed.

The latest government guidance can be found at

www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection

We would ask all guests to familiarise themselves with these rules prior to booking.

In light of the current situation:

- Guests may wish to try and insure against the possibility of an enforced holiday extension.
- Any guests that have their booking cancelled as a result of current guests self-isolating will receive a full refund
- If your area is subject to a government lockdown at the date of your booking we will provide you with a full refund.

Please could we ask that if anyone in your party has suspected coronavirus that you notify us at the earliest opportunity so that we can notify our housekeeper and future guests. We will also contact you on the day prior to departure to check on your well-being.

Please note that crockery and utensils have been minimised (but should be sufficient) and all books have been removed to minimise the number of surfaces that our housekeeper has to deep-clean after each stay.

Additionally:

- 1. Guests are requested to open the windows in both bedrooms, shower room and dining room on departure.*
- 2. All beds that have been used should be turned down or stripped to air the mattresses*
- 3. All crockery and cutlery used in the morning must be placed in the dishwasher and switched on to wash. The housekeeper will empty the machine.*
- 4. Please thoroughly check that no personal property is left in the house on your departure, and that any excess food is either taken away or disposed of in the relevant bin.*

We are sorry to have to put these additional measures in-place but they are designed to keep guests and our housekeeper as safe as possible during these unprecedented times.

Summary

Whilst these additional Terms & Conditions may appear to take the gloss off of your forthcoming stay I sincerely hope that this isn't the case. They are simply designed to be a pragmatic response to the coronavirus pandemic that affects us all and to keep all who stay at Lighthouse View and our housekeeper as safe as possible.
